Background & Context of PESG
<p>PESG was introduced from April 2013 so that schools could improve the quality and breadth of their physical and sport education. Funding continues to be available for 2020-2021.</p> <p>Schools are free to determine how best to use this funding with the expectation that there will be an increased participation by primary aged pupils in PE & Sport so that they develop healthy lifestyles and reach the performance levels they are capable of.</p> <p>From September 2013, inspectors will assess and report on how effectively this funding is being used to improve PE & Sports provision.</p>
