

Groupings

Different groupings support different types of talk

Trios

Talk with two other people. Alternatively, talk to a partner while a third person listens in and summarises or critiques the discussion. Or two people talk and the third listens in to summarise and critique the discussion.

Traverse

Stand in two parallel lines opposite a partner. Change partners by moving one person down to the other end of the line.

Pair

Talk to a partner

Circle

Groups of six or more people face each other in a circle. You can step inside the circle, one at a time, to speak to the whole group.

Fishbowl

Similar to an onion, but the people in the inner circle face each other while the people on the outer circle observe the inner circle's discussion.

Onion

Form an inner circle and an outer circle. If you're in the inner circle stand back to back, facing a partner on the outer circle. Speak to a new partner by rotating the inner or outer circle.

Nest

Stand apart from each other and whisper your ideas to yourself.
