School Council Project

KEEPING OUR SCHOOL SAFE

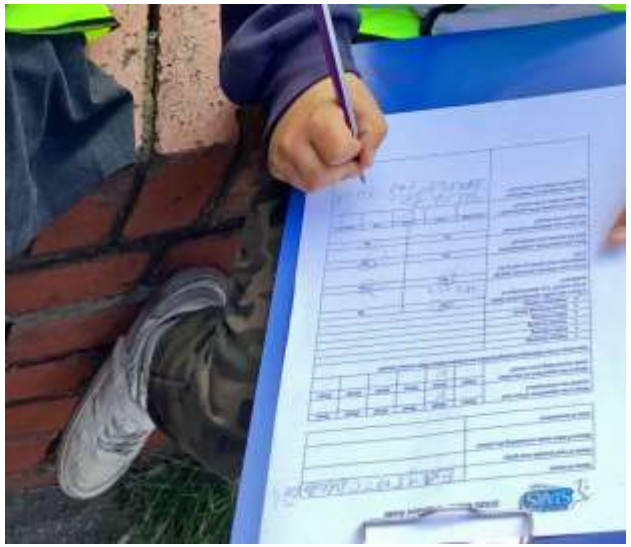
School Council Project

Aims:

- **To keep our roads safe outside of school.**
- **To promote awareness of road safety.**
- **To increase traffic calming measures outside of our school.**

School Council Project

- We conducted an audit to assess the safety of the roads outside of school.
- We assessed the current traffic calming measures present.
- We discussed which measures could be introduced in the future.



School Council Project

Outcomes:

- **We evaluated the safety of the road outside of our school.**
- **Pupils have had road safety enrichment days to promote awareness.**
- **School councillors have written letters to the local council asking to increase traffic calming measures.**
