

Road Safety Awareness Day

24.02.2026.

Keeping our children safe is essential at Eastwood Village. With the support of Rotherham Council, our children learned how to stay road safe by following 3 rules: look, listen, think. They learned to see or hear any traffic coming towards them from any direction and to wait for it to pass safely. They also learned how to stay bright and wear reflective clothing so they can be clearly visible in the dark.
